MALICE FEATURES

At the start of a monster's turn, you can spend malice to activate a Malice feature.

3 Cost **Brutal Effectiveness**
The monster digs into the enemy's weak spot. The next ability the monster uses with a potency has its potency increased by 1.

Reconstitute 3 Malice
One war dog acting this turn tears apart a nearby corpse of a humanoid and incorporates its body parts into their own. The war dog regains Stamina equal to 5 times their level.

Fire for Effect 5 Malice
Area, Magic, Ranged Maneuver
4 cube within 10 Each creature in the area
Effect: Each target makes an Agility test. The same condition is imposed on each affected target.
Tier 1 - 5 fire damage: slowed or weakened (save ends)
Tier 2 - 5 fire damage: slowed or weakened (EoT)
Tier 3 - 5 fire damage

Fodder Run 7 Malice
Each war dog minion in the encounter shifts up to their speed and can make a free strike. A minion who does so is then reduced to 0 Stamina.

5+ Cost **Malicious Strike**
The monster pours all their animosity into their attack. Their next strike deals additional damage to one target equal to their highest characteristic. The damage increases by 1 for every additional malice spent on this feature (to a maximum total of three times their highest characteristic). This feature can't be used two rounds in a row.

ENCOUNTER CONDITIONS

SUCCESS CONDITION

The encounter ends when the Condemned leave the area via one of the doors in the Access Corridor.

FAILURE CONDITION

If the Condemned are killed
