MALICE FEATURES

At the start of a monster's turn, you can spend malice to activate a Malice feature.

3 Cost **Brutal Effectiveness**
The monster digs into the enemy's weak spot. The next ability the monster uses with a potency has its potency increased by 1.

Reconstitute 3 Malice
One war dog acting this turn tears apart a nearby corpse of a humanoid and incorporates its body parts into their own. The war dog regains Stamina equal to 5 times their level.

Fire for Effect 5 Malice
Area, Magic, Ranged Maneuver
4 cube within 10 Each creature in the area
Effect: Each target makes an Agility test. The same condition is imposed on each affected target.
Tier 1 - 5 fire damage: slowed or weakened (save ends)
Tier 2 - 5 fire damage: slowed or weakened (EoT)
Tier 3 - 5 fire damage

Fodder Run 7 Malice
Each war dog minion in the encounter shifts up to their speed and can make a free strike. A minion who does so is then reduced to 0 Stamina.

5+ Cost **Malicious Strike**
The monster pours all their animosity into their attack. Their next strike deals additional damage to one target equal to their highest characteristic. The damage increases by 1 for every additional malice spent on this feature (to a maximum total of three times their highest characteristic). This feature can't be used two rounds in a row.

ENCOUNTER CONDITIONS

SUCCESS CONDITION

The encounter ends when the Condemned defeat all enemies or when they exit through any of the map's exits except the one they started in.

FAILURE CONDITION

If the Condemned are killed
