MALICE FEATURES

At the start of a monster's turn, you can spend malice to activate a Malice feature.

3

Cost

Brutal Effectiveness

The monster digs into the enemy's weak spot. The next ability the monster uses with a potency has its potency increased by 1.

5+

Cost

Malicious Strike

The monster pours all their animosity into their attack. Their next strike deals additional damage to one target equal to their highest characteristic. The damage increases by 1 for every additional malice spent on this feature (to a maximum total of three times their highest characteristic). This feature can't be used two rounds in a row.
