SPENDING HERO TOKENS

1 Token: Gain 2 surges.

1 Token: Succeed on a saving throw instead of failing.

1 Token: Reroll a test and use the new result.

2 Tokens: On your turn/when you take damage, regain Stamina equal to your Recovery value without spending a Recovery.

YOUR TURN

Each squad of minions uses their actions together.

You and your squads can take your actions in any order.

Your Hero

- Move Action
- Maneuver
- Main Action

Your Minion Squads

- Move Action
- Maneuver or Main Action

If a minion has a signature ability, apply one instance of the effects to each target.

Each additional minion that strikes the target adds their free strike value to the action.

NOT YOUR TURN

You can use Strike For Me whenever you would make a strike when it's not your turn.

When to Use Strike for Me

- Opportunity attack
- Ally allows you to make a free strike
- Ally allows you to use a signature ability

Effect: You shift into a square adjacent to the target, including vertically.

You can shift into squares that contain one of your minions, even if they occupy difficult terrain. Each time you shift into a square that contains one of your minions while using this maneuver, you can shift an additional square.

1 Essence: An adjacent ally can shift alongside you during this movement. They must end their movement in an unoccupied square adjacent to the last minion you moved through.

Trigger: You use a triggered action to make a free strike or use a signature ability.

Power Roll + Reason:
Tier 1: Up to three targets make a free strike
Tier 2: Up to five targets make a free strike
Tier 3: Up to seven targets make a free strike
Natural 19 or 20: Each target makes a free strike

Effect: Your minions act in place of you making a free strike or using a signature ability. If you were granted the triggered action against a specific target, your minions must strike the same target. If the triggered action granted you a signature ability, you have an edge on the power roll.
